

SHOWER GRATES

SHOWER GRATE STYLES

- ◆ Linear and Point Drain Styles.
- ◆ Wedgewire or Pressed Metal Grates.
- ◆ Tile Insert Drains.
- ◆ Colours, Prints and Plated Grates.
- ◆ Custom Shower Grates.

ENDLESS DESIGN POSSIBILITIES!

Fabricated out of 304 and 316 grade stainless steel, our high quality shower grates are available in various designs and lengths, ensuring the perfect match to your shower!

The rust resistant nature of stainless steel makes it the ideal solution for shower grates. It is a longer lasting material, as well as an elegant finish to any bathroom. Additionally, our drainage system resist the accumulation of soap scum, deposits, mineralization, dirt and so forth.

Our stainless steel shower grates are 100% Australian manufactured. Because we sell custom shower grates in any length, width and shape, each one is hand crafted to suit your custom drain and grate requirements.
